PTA Break the Rule Day

Attached is a reminder of SOME of the rules that children may wish to break next Wednesday. In the morning, we are once again inviting parents to come and have breakfast with their children at the same cost of the usual breakfast club. We DO NOT expect children to look to break ALL rules on this list but in fact encourage them to just choose a couple to break - we will be explaining this in this afternoon's assembly. Many thanks for any donations you make to this cause - I know that the PTA will be grateful of all monies raised.

French trip Year 5 & 6

Columbia class went to France this Wednesday; despite the weather a good time was had by all. For some of the children this was the first time going abroad, so it was nice that they were able to experience a French hypermarket and also spend some time in Nausicaa (Sea Life Centre). May we once again thank the parents who made this possible, without your support we would not be able to offer these enrichment opportunities for the children to experience.

PTA Committee

We would like to thank those parents who came to the PTA meeting on Monday this week and Mrs Silverton looks forward to working with them on the events in the next few months.

Poetry Writing Competition Winners

Some children across Challenger and Columbia classes entered a poetry writing competition and some have been chosen to be published. This is amazing news! A letter will be coming home today for those children selected in which you will need to submit consent for your child's work to be published.
