Fri 13 Jul PTA Disco
Year 5 Assembly

Fri 20 Jul Forest School Y4,5,6

Tue 24 Jul Last Day Of The School Year

Eythorne & Elvington Newsletter

Monday 5th March 2018

We hope that the week ahead is a lot more “weather friendly” for us all! Thank you to all of the staff at school for their efforts and commitment to ensuring the school was able to remain open for the week despite the varying weather conditions having to be endured.

It was great to see the community working together in times of need such as last week—there were numerous occasions where parents were helping each other out, with the common goal of looking after the children as best as possible.

Unfortunately, because of the weather, all after school clubs last week were cancelled to allow staff and families opportunities to return home safely at the end of each day. These clubs will start up again with effect from today. Friday’s PTA Disco was also cancelled—this will now take place after school on Friday 23 March.

Last Monday, we held our Dance-a-thon in school in order to raise money for NSPCC. This was on the back of the assembly and workshops that we had in school a fortnight ago. Throughout the day, whenever the song “Happy” was played, the children would stop what they were doing and dance! We have asked that children bring in £1 as proceeds towards this important charity. Thank you for your continued support with this.

A couple of months ago, a number of our families took the option to purchase the new House PE T-Shirts. These are a great addition to the school uniform collection and should you wish to see these please call into the school office. (T-Shirts cost £5.95)

A huge well done to all parents who, despite the weather last week, still managed to organise World Book Day costumes for the children last Thursday. The children clearly enjoyed coming to school dressed as their favourite book character. Photographs of some of these great costumes can be seen on the “What’s On” section of the school website. Please call into the school office to collect your World Book Day tokens. All parents in Year 6 should now have received communication regarding the allocated schools for their children as of September this year. Should you need to discuss this further please do not hesitate to contact us. A reminder that on Friday afternoon this week, children will have the opportunity to visit the Mothers Day Stall in the school hall where they can purchase presents for Parents/Carers for £1. Thank you once again to Ms Silverton for her hard work in organising such an event as this.

Unfortunately, due to the change of plans cause by last weeks weather issues, we have decided to postpone this Friday nights Science Evening for families. This will now be held later in the term.

This Friday morning we will welcome families of Atlantis class for their class assembly at 9am.

As always, following this, parents are encouraged to return to the classroom to join in an activity with the children.

Could we remind parents that if your child is unable to attend school, please ensure you call the office by 9am to inform us.
