6 October 2023

Voyager Class

On Thursday, Voyager class started their coal Communities Project with Expression Arts. They kicked off this project with a trip to Kent Mining Museum to find more about our mining community and of course had some free time in the play park. More exciting project content to come.

Columbia

On Tuesday afternoon 3 of our Year 6 girls took part in the Girls McCarthy Cup at St Faiths Prep. The girls played 4 games in the group stage, losing one, winning one and drawing two. Bailey scoring 1 of the goals, Ava and Sophia keeping 2 clean sheets. Unfortunately, we did not get out of the group but all of the girls played well and are looking forward to more fixtures this year.

Girls who took part in McCarty Cup Football Match

Challenger

This week, Challenger investigated the properties of rocks. Children worked in groups to test the rocks in a variety of liquids such as water and vinegar and they carefully recorded any observations that they thought were significant. They also used sand paper to observe what happened to different rocks with differing textures.

Stars of the week

Discovery

Stanley – for making good choices and showing kindness towards his friends.
Oliver – for growing confidence on the carpet.

Voyager

Robin – perseverance in his phonics and English writing.
Amelia – fantastically fluent reading in Phonics.

Challenger

Ivie – knowing the features of a diary entry.
Darcy – Working hard on her presentation.

Columbia

Leo – for his perseverance in DT this week and positive attitude towards his learning. Well done!
Axel – for his amazing attitude in all of his learning in particular his maths work this week. Well done!
