PGL

Last weekend, our Year 6 children had their residential break at PGL Bawdsey Manor in Suffolk. Across the course of the weekend, the children were able to experience climbing, rifle shooting, zip wire and orienteering plus many more activities. The attitude and behaviour of all of our pupils during the trip was exemplary. A big thank you to Mr Hutcheon and Mrs Whannell for giving up their time to enable such an experience to take place.

We are now only a few months away from returning to Bawdsey Manor with the current set of Year 5's as they begin their time in Year Six. This trip takes place across the weekend of 23rd to 26th September. Thank you to all those parents who have already signed their children up. I will be making calls to those we are yet to hear from early next week.

Online consent forms

Some parents may have noticed that we have moved away from paper-copy consent forms. These forms are now to be completed ONLINE by parents. It is important that we get parents to complete these forms online to enable us to take your child on any given experience/visit. Letters will still come home via email and paper-copy but ALL consent forms MUST be completed ONLINE. If you need any help completing these, please do not hesitate to ask.

Year 6 Production

To allow the Year 6 pupils more time to rehearse for their end of year production we have put the date of the performance back from Monday 11th July to TUESDAY 19th July. The performance will still take place at 6pm and children should remain at school between 3-6pm during which time they will be fed.
