Enrichment Experiences

We would like to thank the parents who continue to support the Enrichment Experiences. It is fantastic to see almost all of the pupils have signed up to attend the summer set of experiences. We are now in the process of organising these and letters will be going home next week along with payment plans being set up. Due to the schools financial close down we have not been able to provide as much time - as we would have liked - to spread the cost of the payments over. If any parents wish to discuss the payment of these please contact the school office. We have detailed below the experiences for each year group:

Year One – A trip to Folkestone Coast

Year Two – Pizza making in Canterbury

Year Three – Legoland

Year Four – Camping

Year Five – Water Sports

Year Six – London Theatre Trip

Census day

Next Thursday, 16th May, is Census Day. This is an important day for the business side of schools as the number of Free-School meals places on this day impacts on the finances allocated to the school. Can we ask that if your child is eligible for Free School Meals that they please choose to have a school meal on this day. This has already been circulated by the school office including the exciting menu for this particular day.

Kent Test 2024

A reminder for those children in year 5, the Kent Test application window opens online from 3rd June. You will also need to contact the Dover Girls and Dover Boys Grammar Schools separately should you wish for your child to sit their own independent tests.
