Monday 11 March 2019

Dear Parents/Carers

Assembly

Thank you to Atlantis class for their "news themed" assembly on Friday morning. It was great to see so many family members attending and also to be able to come and sit with the children and their books in the classroom afterwards.

This Friday we welcome the parents of children in Voyager class. The assembly starts at 9am and then there is the chance to come and look at the children's books in the classroom afterwards.

World Book Day

Last Thursday we celebrated World Book Day. Thank you to Mrs Sutcliffe for arranging activities in-school for the children to take part in. Thank you also to all parents for providing a fantastic array of book themed costumes for the children to come to school in. There are photographs of the day on the school website under the "School News" section.

Dover Museum

As part of their Ancient Egypt theme, Atlantis class visited Dover Museum last Monday. During their visit they took part in a number of sessions linked to their topic including some clay modelling and seeing a Bronze Age boat. The whole class returned extremely positive about the experience.

PTA Quiz

This Friday (15th March) there is a PTA Quiz in the school hall. The quiz is for adults only and is at 7pm for a 7.30pm start. The cost is just £6 per person and that includes a free Chilli-Con-Carne. For those that wish to enter a team, please contact the school office to book a table by Wednesday.

Scholastic Book Orders

A reminder that any Scholastic book orders need to be back to school by this Friday (15th March).

Mothers Day

On Friday 29th March, during the afternoon, children will have the opportunity to buy a gift for 'Mother's Day'. All items are priced at just £1.

In breakfast club we are also inviting Mums, Nans, Great Grandma's Step-Mums, Aunties to come and have breakfast with the children on the Friday morning. A separate note will be coming home about this in the next week.

PE Kits

On a Thursday afternoon children are having PE lessons in either football or netball. Both of these sessions are currently taking place outside as long as there is no rain. As it can still be rather chilly at this time of year, please provide your child with warmer sports clothing (eg joggers, hooded tops etc) for them to bring as part of their PE kit on a Thursday. For those in KS2, these should remain in school for the Cricket sessions on a Friday afternoon.

Caretaker

We would like to welcome Mr Quartley to our team as the new school Caretaker. He will be taking over from Mr Miles with effect from this morning and firstly has the essential job of making sure the school is open for us all each day.

Nature Club and Speed Stacking Club

A reminder that due to staff training today, both Nature club and Speed-Stacking club will take place after school on Tuesday this week. Football club and Lace club will still go ahead as planned.
