Monday 12th March 2018

We hope that all Mums, Step-Mums, Grandmothers, Aunties etc had a lovely Mother's Day. The children were extremely excited to be able to pick out some gifts from our Mother's Day market on Friday afternoon. Thank you to Ms Silverton for arranging this and for allowing some Mums of the children in Breakfast Club to join their children for breakfast on Friday morning too.

We were treated to an excellent assembly by Atlantis class on Friday based around "Making a Difference". It was an informative and interesting assembly with all of the children clearly enjoying being a part of it. Thank to you Mrs Holder for arranging this with her class. This Friday we welcome the families of children in Columbia to come and see their assembly at 9am in the school hall.

Later on this week, Cathy Evans, the NSPCC representative who carried out workshops at school a few weeks back—is calling in to collect any money outstanding from our Dance-a-thon. She will be in school on Thursday so if you haven't brought the £1 in yet please try to do so by then.

The children of Endeavour class came home with letters last week about their educational visit at the end of this term to the Roman Painted House in Dover. This takes place on Tuesday 27th March and will be a great experience for them. For more information about this please contact the school office. All slips and money need to be in school by Wednesday 21st March.

Two pupils from Endeavour class will today make the short trip to Sibertswold Primary to take on some of their pupils at Chess. We wish them luck and look forward to hearing all about it.

Forest School continues this Friday for children in years 4,5 and 6. We hope the weather will be much improved from their last sessions which were unfortunately cut short due to snow, ice and temperatures of minus 6 degrees! As always, please send children to school with additional warm clothing to wear as well as wellington boots where possible.

Many thanks to all of those parents who have returned the annual questionnaires. These are vital for us as a school to engage with all parties to continue to improve standards. All of the responses will now be looked into and during Term 5 we will communicate the findings and outcomes from the surveys with all parents. If you still have not submitted your entry and would like to do so then please do send it into school.

As a safety matter, we are instructing all children to ensure that both upon arriving and leaving school they do so using the path. To help with this, can all adults ensure they use the path also and avoid either waiting or walking down the driveway. Thank you for your support in this matter.

In the playground after school this week you may see some children in House PE T-Shirts. Should you wish to order these please speak with either the children or a member of staff in the playground who will be more than happy to help you.

Finally, the school council elections will be taking place this week. Voting will take place on Thursday with the results being announced in Friday's assembly. Please see next week's newsletter for details. Good luck to all children involved!
