

Eythorne Elvington CP School

Friday 12th March 2021

How good was it to see all the children back in school on Monday?! After three months away for some of them they returned a couple of inches taller in some cases and no doubt causing some headaches at home for parents in terms of growing out of school uniform. On that note, thank you parents for the lengths you have clearly gone to in many cases to buy new trousers, shoes, shirts etc. I appreciate that in these times, doing this is difficult but the children came back really well presented and I think this helped them get back into the swing of things even easier.

Having spoken with all teachers throughout the course of the week, they have been really pleased with the behavior and learning attitudes of the children. This has long been a real strength of this school and I am glad that continues. Some children are finding it tough towards the end of the day with regards energy and concentration levels, but I think this is to be expected given the time many have spent away from school.

Next Friday (19th March) is Comic Relief. The theme for this year is Superheroes and so we invite all children to come to school dressed as a Superhero should they wish, this can be anything such as a football player, your mum or dad and bring with them a £1 donation.

Please can I remind all parents that you should not be driving onto the school grounds unless this has been agreed by the school. As part of our one-way system at present, the drive way is the main exit for all families both at the start and at the end of the day. In the meantime, we will be closing the main gates at these busy times in the interests of health and safety for all. When leaving the school grounds, please can families use the right hand side smaller gate when leaving.

Finally, to all Mums, Step-mums, Grandmas, Nans, Aunties and other female carers of children – enjoy this Mothering Sunday. You have all done the most amazing job for your children over the past 12 months.
