Dear Parents/Carers

Termly Overview

Last week all parents should have received a 'Termly Overview' outlining the learning areas for the next five weeks. If this did not manage to make the journey home, please contact your child's class teacher for another copy. By having access to this information, it allows you to continue to support your children's learning from home. As you can see from the overviews, we continue to push our three drivers DIVERSITY, INITIATIVE AND POSSIBILITIES through all areas of the curriculum. We hope that you get the chance to talk to your children about these at some point.

Clubs

This week, we have a range of clubs starting up. Thank you to all staff and volunteers who give up their time to provide these extra-curricular experiences for the children. Please ensure that ALL children are collected by an adult at the end of an after-school club from the office. If for some reason we have to cancel a club we will send out a text message giving as much notice as possible. If your child was unable to secure a place at a club, we will contact you should a space become available. A reminder that clubs do not run during the final week of term.

Outdoor Learning/Forest School

There were still a number of children last week in Challenger and Endeavour classes without sufficient clothing for their outdoor PE lessons. Parents were informed before Christmas that this term's PE for these classes is Football and will take place on the Key Stage 2 playground. Unless, it rains we will continue to carry on with these lessons. For your child to feel more comfortable, please bring in additional warm sports clothing as part of their PE kit on a Thursday.

Lollypop Lady

Jackie, our Lollypop lady at the crossing in Eythorne, has informed us that she will not be there on the afternoon of the 21st January. Please bear this in mind if it is part of your route from school to home.

Reading Volunteers

We are fortunate this term to have additional volunteers coming into the school to hear children read. We are extremely thankful to the efforts of these people and would encourage any other parents who are willing and able to help us in this way to please get in touch. Reading is paramount to the development of children's learning and having the opportunity to read aloud to an adult and talk about their reading is vital.

Flu Vaccination - Additional Clinics

Due to the unprecedented demand for the Flu Vaccination, there have been extra clinic dates put in place to give parents the opportunity to have their child vaccinated if they were unable to receive this at school.

Unwanted Christmas Gifts

If you have any unwanted, unopened Christmas Gifts (eg: new toiletries, toys, games, etc), we would be very grateful for donations for raffle prizes and the Mother's Day Market.

Discovery Stay and Play

On Wednesday 23rd January there will be a 'Stay and Play' session in Discovery Class. This will give parents of Discovery children the opportunity to come and spend time with their child in the class room engaging in their everyday learning.
