14 May	Film Night 3.15 - 4.30
5 July	Summer Fayre 3.15 - 5.00

Eythorne & Elvington Newsletter

Monday 15 October 2018

We have come to the end of the first term of the school year—one which seems to have flown by! We hope that all families enjoy their week long break and we look forward to starting Term 2 on Monday 29th October.

This week we have Parent/Teacher consultations. There are still a number of children without an appointment. The importance of meetings such as these are vital to your child's learning and development within school. Please speak to your child's class teacher to arrange a suitable appointment time if you have not already done so.

Everyday after school this week, we have a Book Fair in the school hall straight after school. This means that between 3pm and 3.30pm families can come and look through the many books on offer and buy some should they wish. Please note, cash payment is required for books. Last week, we ran a competition for children to design a book cover of their choice. We have 5 winners for this, who today have received a £5 gift token to spend at the Book Fair!

It was great to see so many parents in reading with their children in Discovery class last Tuesday. Occasions such as these are fantastic for the children. Coming home this week is a leaflet giving tips as to how parents can continue to support their child's learning at home.

As you already know, throughout this week the children are involved in our Enterprise Focus Week. Today, they have been working in their teams to create a brand new product in a spray bottle. On Wednesday, we have some scientists from Pfizer visiting us to put on a special assembly. Throughout Thursday, we are lucky to have four different professionals come and talk to the children about their job—these are a Professional Cricketer, a Vet, a Policeman and someone from the construction industry. Thank you so much to these people for giving up their time so generously. To finish off the week, on Friday classes are working as small businesses to turn a £5 note into a profit! There will be class stalls in the hall straight after school for parents to come along and support their businesses.

Thank you to Ms Silvertown for organising the PTA Film Night last Wednesday after-school. A big thank you also to the staff who stayed at school to help out.

Last Monday, the Astronomy Roadshow came to school and all classes spent time inside their travelling planetarium. This was a fantastic experience for all of the children and one that they learnt a lot from.

We now have a new School Council elected by their peers on Thursday. A huge thank you to the retiring school council for all of their hard work over the past six months. We look forward to working with our new School Council team to continue to move the school forwards.

Last Thursday, we held our Open Afternoon. This was a chance for families looking for a school for their child in September 2019 to take a look around. There was a great turnout and our Year 6 pupils performed the role of "Tour Guides" fantastically. If for some reason you were unable to make this date and wish to take a look around, please contact the school office to arrange a suitable date and time. We look forward to seeing you.

As you are already aware, there are no clubs this week as it is the final week of term. A letter detailing a new set of clubs for Term 2 will come out in the first week back. If you are interested in running an after-school club please speak to Mr Garvey.

On Thursday 1st November, we are having another "Stories Around The Campfire" event. This will take place in our Forest School area and children will read aloud stories they have written. A separate letter will be coming home later this week, giving children the chance to use the week-long holiday to write their "Spooky" stories.

On Friday this week (19th October) we have the school photographer in. Should you wish to have any photographs with siblings that don't attend school, please come in at 8:30am, where there will be a chance for family photos.

EXTRA-CURRICULAR CLUBS

There are no clubs this week.

TEAM POINTS

Tilmanstone— 39

Chislet— 45

Snowdown— 40

Betteshanger— 79
