Monday 16 July 2018

What a fantastic Activities Focus Week we had at school last week. The children enjoyed a range of new activities and experiences, which was great to see. An example of some of the activities the children took part in were; Snow Tubing at Folkestone Sports Centre, Archery and Geocaching at Betteshanger Park, Den Building and Crafts at Woodpecker Court and Martial Arts in the school hall! Thank you for all of the adults involved who enabled this week to happen. There is a portfolio capturing the whole week available to see in the school foyer. Photos will also be on the school website this week.

We are now into the final full week of the school year. By the time you receive this letter all parents should have received their child's end of year report. Should you wish to discuss this further, please contact the class teacher.

Miss McGregor and Ms Jones are out and about this week visiting the families of the new children starting with us in September. On Thursday (19th July) we look forward to welcoming the new Year R children for a Teddy Bears Picnic between 9.30am and 10.30am. If parents have any questions about these transition events please get in touch with us.

On Wednesday morning we have Sports Day which will start from just after 9am. Please can all parents gather on the junior playground before 9am. The event will run until around 10.15am. There will then be a chance for parents to buy refreshments in the school hall. All children will need full PE kit on this day as well as a drinks bottle as normal.

The end-of-year production takes place on Thursday (19th July) at 2pm and 7pm. This should be a fantastic show so please let the office know how many seats you would like.

On Tuesday (17th July) the children in Discovery and Columbia are off to visit the RNLI centre in Walmer. This is a great experience for them linked to their current topic. Separate letters have already gone home about this.

Looking ahead to the final two days of the term (23rd and 24th July), the children will spend the Monday afternoon with their new teacher in the classroom they will be in next year. We then have a Leavers assembly for our Year 6 students at 9am in the school hall which family members of those children are invited to.

The term ends at 3.10pm on Tuesday 24th July and we look forward to seeing all children again on Monday 3rd September.
