It has been an incredibly busy week here at Eythorne Elvington and it is fair to say that the children are now fully back into the swing of learning and producing some lovely work in their books.

Parents with children starting primary school in September 2023 will be now considering schools, ready to make their applications before January. We would encourage any families considering this school for their child to come and see us in full-flow at a time of their convenience so that they can get a true test of what life at Eythorne Elvington is like. To make an appointment please contact the office on 01304 830376 or email office@eythorne-elvington.kent.sch.uk

Car Parking

You should have received a letter this week asking for your support in around the local community regards the parking of cars and ensuring in particular that we do not block driveways at any point. I have had a number of positive comments from parents in response to us continuing to address this issue and I thank you in advance for your support on this matter.

Mr Nourish Birthday

You should have received an e-mail this week with the menu for the day of Mr Nourish's birthday, Thursday 6th October. A special menu has been created to celebrate this day, so we hope to see many of the children enjoying this lunch. Also there is a chance to win a prize with a competition - if your child wants to create a birthday card for Mr Nourish, all they need to do is create this at home and bring it into school.
