16 September 2019

Thank you to all of those parents who managed to attend "Meet the Teacher" sessions last week. We were pleased with the turnout across the whole school. If you were unable to make the date and still wish to speak with the class teacher then you can do this either before or after school.

Well done to the Year 6 pupils who managed to get through the Kent Test process over the last week.

A reminder to parents that children need to have a PE kit in school for them to be able to take part in the sessions. Ideally, we would suggest bringing the PE kit on a Monday and taking it home on a Friday.

We would like to confirm that the PE sessions for individual classes in term one will take place on the following days:

Discovery: Friday

Voyager: Wednesday

Atlantis: Wednesday

Challenger: Friday

Endeavour: Wednesday & Thursday

This coming Friday is Jeans for Genes day. We invite children to wear jeans to school on this day along with the rest of their normal school uniform. We ask that a 50p contribution is made towards the cause.

A reminder that Scholastic Book catalogues came home last week and that order forms need to be returned to the school office by Friday 20th September.

In the interests of all children's safety please can we ask parents to NOT walk them up the driveway at the end of the school day. We understand the path is narrow but it is by far the safest route out of the school. Please do not also encourage them to leave via the driveway alone. Thank you for your support in this matter.

Forest School sessions continue weekly on a Thursday. This week is the turn for Discovery class to have their first experience of our Forest School area. In the afternoon, it will be the turn of Endeavour class. As always, please send in your children on Thursday with additional clothing suitable to this area. It is largely shaded in there so even on what can seem a warm day, it can still be rather cool in most of the Forest School area.

After school this Friday there is a meeting for parents with children in Year 6 regarding applying for Secondary School places. It will take place at 3.15pm. If you are unable to make this time, but still need the information about applying for places for September 2020, then please contact the office to make a more suitable time to meet with either Mrs Bird or Mr Garvey.

Coming home today are second copies of the data capture and consent forms to those we have not yet received one from. It is vital that these are filled in to ensure we have the most up-to-date details for your child. Thank you for your cooperation with this.
