Enrichment Experiences

Letters have been sent home to parents with children in Years 1 – 3 for the enrichment experiences next term. Please ensure that you read these letters as they do contain important information regarding the trips. Payment plans have also been set up on SchoolMoney, please can you make sure that you keep up to date with your payments, if you need to discuss this please contact the school office. Year 4 – 6 letters will be going out next week for their experiences.

Kent Test

A reminder for those children in Year 5, the Kent Test application window opens online from 3rd June. You will also need to contact the Dover Girls and Dover Boys Grammar schools separately should you wish for your child to sit their own independent tests, details of these can be found their websites.

Water Bottles

We have noticed a lot of children are not bringing in water bottles, with the weather getting warmer it is important that they must bring one in to keep them hydrated throughout the day, these can be refilled at any time during the day.

Voyager Assembly

Voyager class have been working hard practising their assembly with Mr Bekker and will be performing this on Thursday 23rd May - all parents and family members are invited to attend and watch their child's performance. We aim to start the assembly at 2:30pm, so if you could arrange to be here just before and come via the school office so we can have everyone seated. The assembly will finish at approximately 3pm and then the children will go home afterwards.
