 14 April Film Night 3.15 - 4.30
 5 July Summer Fayre 3.15 - 5.00

Eythorne & Elvington Newsletter

Monday 17 September 2018

Last week parents had the opportunity to attend our "Meet The Teacher" sessions. We hope that these were both informative and helpful for those parents who managed to attend. If for any reason you were unable to attend and have any queries please find time to meet with your child's class teacher either before or after school.

We had a good up-take of all extra curricular clubs which started last week. Clubs registrations for this term are now closed. Please ensure that for all after-school clubs that children are collected by an adult.

This Friday is Jeans for Genes day. All children can come to school wearing jeans and we ask them to bring loose change with them. We will then aim to cover a pair of jeans in coins and all proceeds will go to this important charity. Thank you in advance for your support in this.

Most children took part in their first Forest School session of the academic year last week. Thank you to all parents who ensured children came into school with additional clothing for these sessions. These will continue again this week and through the rest of the term. If you are unsure of what day the Forest School session is for your child's class, the dates are on the reverse of this newsletter.

If you are willing to volunteer to come in and spend time with children reading at school we would be interested to talk to you about this. Reading is paramount to a child's development and reading aloud to an adult is a fantastic support for this. To discuss this further please contact Mr Garvey or Mrs Bird.

We are delighted to announce that Tilmanstone Salads have agreed to sponsor our Football team this year. As a result they have supported us in the purchasing of a new kit and we eagerly await the delivery of this. We appreciate the support from them fully and we look forward to providing you with some positive football news soon!

During the last week of this term (15-19 October) we will have an Enterprise Week at school focussing around our "Possibilities" Curriculum Driver. As part of the initial plans for this week we are hoping to have a range of professions come into school and talk about their line of work with the children. We feel it is vital that the children are aware of all possible career opportunities available to them even at this early age. If you would be willing to come in and speak to the children about the work that you do please do get in touch with us.

Last week, children should have come home with the latest book catalogue from Scholastic. A reminder that this Friday is the deadline for all orders to be in.

We have a fantastic new display in the hall courtesy of Ms Clarke based around "Random Acts of Kindness". This is now full of many examples of kindness portrayed by the children of the school. We hope they come home and tell you about these and hopefully you will get some random acts of kindness at home also.

We ask that all parents of children in Year 6 come along to school this Friday at 2.40pm to hear about the process for applying for Secondary Schools.

Tomorrow (18th Sept) the children in Years 1 and 2 will be taking a walk around the local area as part of their "Our Village" topic.

Finally, we will be starting to use a text service in order to communicate messages to parents. You will receive any updates and reminders from the school to the primary mobile number that we have on file. Please inform us as soon as possible of any changes to telephone numbers.

EXTRA-CURRICULAR CLUBS

There will be no Football or Top Trumps club on Monday 24th September.

TEAM POINTS

Tilmanstone—128	Chislet—121
Snowdown—90	Betteshanger—18
