Fri 13 Jul PTA Disco

Year 5 Assembly

Fri 20 Jul Forest School Y4,5,6

Tue 24 Jul Last Day Of The School Year

Eythorne & Elvington Newsletter

Monday 19 February 2018

Welcome back to another exciting term at school. We are now over half way through this academic year and there is still so much left to look forward to before the end of July. We continue to try to give families as much notice as possible of all school events through the Key Dates section on the reverse of this newsletter.

Before the half term break, we had our Science Focus Week here at school. Across many of the afternoons, all children were engaging in a variety of Science related activities. Many thanks to our Chair of Governors Dr Webster and his wife, for coming in to work with our children in Key Stage Two on a forensic science activity. Other sessions included opportunities to hold a range of animals brought in by the Wild Science Company, time in the Forest School and an inter-house rocket launching competition. Photos of all of the above will be made available in our "What's On" section of the school website as usual.

This term, the children in Years 4,5 and 6 will have Forest School sessions on a Friday with Mrs Wilkinson-Tough. These sessions are fortnightly and the first of these will take place on Friday 2nd March. In addition to this, there is an extra Forest School session for Years 1,2 and 3 THIS WEDNESDAY (21st February). The reason for this, is that last term Mrs Wilkinson-Tough was unable to attend on one of the Friday sessions due to illness. Please ensure as always that children bring with them to school additional warm clothing and wellington boots. As a school we can help by providing waterproofs.

A letter regarding the clubs for this term will be coming home with children in the next couple of days.

A reminder that on Thursday 1st March it is World Book Day. To help celebrate this, we would like to invite children to come to school on this day dressed as their favourite book character.

There will be a PTA School Disco after school on Friday 2nd March. Children should bring additional clothing to change into at the end of the school day. All children should be collected from school by an adult at 5pm. The cost of the school disco is £3 per child which includes a drink and snack. A separate letter will follow in due course.

Before half term, you should have received a letter regarding assemblies and workshops taking place today in school run by the NSPCC. As a follow up to this, we will be sending home some information about a fund raising initiative to take place next Monday in school to raise funds towards this very important charity.

The new menu for school dinners is now available and will come home with children today. Also coming home, is a letter about the Easter Holiday Club run at Sibertswold Primary. For more information about this or any other matters covered in the newsletter please contact the school office for more details.
