Year 3 Canterbury Cathedral

We have kicked off the new year with the first of our enrichment experiences with the year 3 pupils at Canterbury Cathedral. The children came back buzzing with excitement, they had a great day, starting off the day with a Viking themed trail around the cathedral, enacting out scenes from that era. They then proceeded to the activity room where they had some fun creating glass stained windows among other activities.

Young Voices

Some of our year 5 & 6 pupils made their way up to the O2 Arena this week for the Young Voices Concert. Around 9,000 children from schools took part in the event and despite it being a very long day, getting back to the school at 11:45pm, a great time was had by all singing their hearts out to all the songs they have been practising with Mr Miles.

Challenger Class Assembly

Thank you to those parents who came to school on Thursday to watch the Challenger Class assembly. It seems such a long time since we have had class assemblies and Challenger were fantastic, setting the bar very high for when the other classes perform their assemblies throughout the school year, well done!

Attendance

As a school we have noticed a significant overall improvement in pupil's attendance. The school office has mentioned parents are voicing concerns about their child's attendance record when calling up if they are feeling unwell. Please remember if your child is feeling under the weather, but you feel they would be well enough to be in school with medication, this can always be brought to the school office to arrange.
