

Eythorne Elvington CP School

Friday 19th November 2021

We have, in the past few weeks, had two of our pupils test positive for COVID 19. In both cases, the school and the families followed the guidance complicity in a bid to ensure there was limited transmission to other pupils or adults. With this in mind, I would like to reaffirm to parents the guidance in schools when a pupil records a positive case:

In the event of a positive case of COVID, **we will write ONLY to the parents of pupils who have been in CLOSE PROXIMITY to the child who has tested positive – this is in line with the guidance from Public Health England.** Our letter sent home will recommend that parents then arrange for their children to take a PCR test. In the meantime, children should still attend school as normal until any testing returns as positive, from which point guidelines state that children should self-isolate for ten days either from the day of the test or from when the symptoms started – whichever occurred first.

As always, we continue to do all that we can in schools to prevent that spread of COVID. If you have any questions or concerns, please do not hesitate to call me at school to discuss this further.

Parent Surveys

Yesterday, we sent home and emailed out Parent Surveys – thank you to those who promptly replied. Getting your feedback on a range of school matters is always vital to us at school and so we would really appreciate as many of these being returned to us with your thoughts and opinions so we can continue to strive to be the best school that we can be.

Children In Need

Today is Children In Need and children are invited to come into school wearing a bandana and bringing a donation of money. Thank you for your support towards this important cause and we will share with you next week just how much money was raised on this occasion.

Travelling Books

Thank you to all those families who purchased books from the Travelling Books stalls last week. In total over £200 worth of books were bought and due to this fantastic response, the school will now receive some book credits which we will use to add to our library of books for the children to use. Congratulations to Ellora, Daniel and Alana – all from Year Two – who took part in our Reading Competition last weekend and received a £5 book voucher as their reward.

School Jumpers and Fleeces

We are still waiting for some parents to return the school uniform order forms that were sent home this week. These **MUST** be completed and returned to the school office by Tuesday, 23rd November so that we can place the order with our supplier. Our school PTA is funding this so that so that ALL pupils will have a sweatshirt and fleece ready to start term in January 2022.

PE Kits

A reminder to parents that children should be wearing PE kits on the following days:

Monday: Voyager and Atlantis Class

Wednesday: Columbia Class

Thursday: Challenger and Endeavour Class

Friday: All classes with the exception of Discovery Class

Please note, if your child has a sports after-school club, we ask that they bring their PE kit in a bag on these days and they will be given the chance to change into this clothing at the end of the school day before their club begins. The reason behind this approach is to ensure that pupils are still wearing full school uniform on most days of the week.

Non-uniform Days – Christmas Raffle

This coming Monday is the first of our three non-uniform days before the Christmas Fayre. Please can children bring in Chocolate next week towards one of the stalls at the fayre. In return for their chocolate contribution, they can come into school in non-uniform for the day. The following two Mondays will also be non-uniform:

29th November – Bottles

6th December – Cakes

Nativity – Tuesday 14th December

A letter will be coming home to parents today also asking for you to reserve two seats per family at the Nativity performance on Tuesday 14th December. There will be two performances on this day and parents can, should they wish, reserve two seats for each performance. Please return the slips to school in order to book your spaces.
