Monday 2 July 2018

Last week, the children in Year 2 had a fantastic trip to Sunny Sands beach in Folkestone. They were a credit to the school and a great day was had by all. They learnt a lot linked to their current topic of "The Seaside" as well as tasting the local fish and chips!

As World Cup Fever takes over the country, we opened up our school hall last Thursday evening to show the England V Belgium game on the big screen. Despite the disappointing result, we had a number of families attend and the children seemed to enjoy the experience. Thank you to those who made the effort to come along on the evening.

Thank you also to all of those families who came along to the Summer Fayre on Friday afternoon straight after school. Ms Silverton once again ensured there was a wide range of activities for all. We will inform you of the total amount raised in next Monday's newsletter.

We have this morning taken a call to inform us that the Lollipop lady is currently off ill. Please take extra care when crossing the roads at the bottom of the hill in Eythorne.

This Friday we welcome the parents of children in Columbia and Discovery class for their final assembly of the year. This takes place at 9am in the hall. There will also be the opportunity for you to go into class with the children afterwards to look at their work.

Most of the children in Year 6 are on a transition day at their secondary school this Thursday (5 July). Should you be unsure about these transition days please contact the secondary school directly.

Next week, the Year 6 children will be on their French Residential Trip. If you have any questions about this before Monday please call the school to speak with Mrs Bird.

The children of Atlantis class have now reached 10 stars on their attendance chart. As a reward for their excellent attendance and punctuality of late, they are rewarded with a non-uniform day this Friday (6th July).

Next week (9th—13th July), is our Activities Week. The whole school will be involved in a range of activities across the course of the week. A separate letter will be coming home today regarding this.

There is a PTA Family Film Night on Friday 13th straight after school. A flyer will be coming home this week about this.

The end of year Production of "Oliver" is fast approaching and rehearsals seem to be going well. There will be two separate performances of this at 2pm and 7pm on Thursday 19th July.

With the extremely warm weather in mind, please ensure all children come to school with a water bottle and that sun cream is applied before the school day.
