Merry Christmas All

On behalf of all of the staff and governors of Eythorne Elvington Community Primary School, I would like to wish all families a happy and healthy Christmas.

2024 has been a fantastic year for the school with excellent progress being made academically for pupils, as well as an extensive amount of enriching experiences that the children have been able to enjoy. I would like to take the opportunity to thank all of the brilliant team of staff we have, for their dedication they give to the children daily. We look forward to seeing you all again on Monday 6th January 2025.

Christmas Concert

We had a fantastic turnout for our Christmas Concert last Friday. Once again, Mr Miles demonstrated the high quality musical learning that takes place in school every Friday. The children performed with such confidence and enjoyment - it was a joy to see. I am sure that all those present would agree. All proceeds from the ticket sales will be spent on new instruments for 2025 onwards.

PTA Santa Fun Run

Thanks to your efforts in fundraising, last Monday's Santa Run managed to raise just over £1000 for the school PTA. Along with other funds raised across 2024, all of this money will be spent on projects to enhance the educational experience for all pupils. Thank you again for your support.

Talent Show

On Tuesday afternoon, we were treated to an entertaining talent show involving pupils from Year Two right up to year 6. We had singers, dancers, readers, gymnasts and magicians all show their acts to the watching pupils, staff and parents.

All children showed great bravery to get up on stage in front of such a big crowd, well done to them.

This years winners were Mia and Aaliyah from Y6 with a dance act and so they automatically will open the Summer Talent Show in July 2025.

School PTA

We have been delighted in the last 24 hours by the number of parents offering their time to support the PTA moving forwards. The role the PTA plays in all schools but especially small rural schools like ours, is pivotal and the more man power we can have in the PTA the better for our children. I will be holding a meeting for both new and current PTA members to attend at the start of next term. I hope to see as many of you there as possible.

STARS OF THE TERM...
