Cross Country Event

Regrettably the Cross Country event for this afternoon has just been cancelled due to the tracks being frozen still, we hope that this event will be scheduled for when the weather is a little better!

Food Making and Tasting

Our Year 5 pupils got to experience food making and tasting at Dover Christchurch school this week. They clearly had a fantastic time and I was impressed with the parcels of food that they were taking home with them.

Clubs

We have the most pupils we have ever had involved in our clubs this term which is brilliant to see. I can confirm that clubs finish at 4pm, however there may be times where the clubs do run slightly over depending on their activity please wait for your child in the playground. Apologies for those parents whose clubs finished slightly later early this week – they must have been having too much fun!

NSPCC Assemblies

On Monday, I will be holding NSPCC assemblies with the pupils at school. These will be in two groups – Key Stage Two and then later on with EYFS and Key Stage One. The assembly is titled – Speak Out Stay Safe and I have provided a link to this for parents below:

Creative Art Display

We are looking to make a creative art display within the school, if there are any parents who can help by donating any small photo frames they may have to please drop these in at the school office. Many thanks in advance.
