21st July 2023

Dear Parent/Carer

We reach the end of another school year and each one seems to go a bit quicker than the last. This particular school year has been one full of many positives and none more so that the Outstanding Ofsted grading that we received in December 2022. We are still in a very small minority of schools that have managed to make this jump from “Good” to “Outstanding” under the new framework. This outcome is something that all stakeholders involved in our school community should be incredibly proud of – staff, governors, pupils and parents.

I would like to commend the brilliant team of staff that we have at school who continue to do everything that they can on a daily basis to help your children. Not only are they completely dedicated to their profession but they are also incredibly skilled and knowledgeable about what they do.

Pupils at Eythorne Elvington have consistently shown fantastic learning attitudes and behaviours throughout the school year, in all that they do and they are a real credit to yourselves and for us as a school. We hope that they have a restful summer and we look forward to seeing them back in school on Monday 4th September.

To parents, I would like to say thank you for your continued support and I also wish you and your family an enjoyable summer break.

Kind regards

Neil Garvey

Headteacher
