Discovery Assembly

9-13 Jul Year 6 Residential

Fri 13 Jul PTA Disco

Year 5 Assembly

Fri 20 Jul Forest School Y4,5,6

Eythorne & Elvington Newsletter

Monday 22 January 2018

The children of Atlantis and Challenger classes had the opportunity last week to visit Dover Museum. The staff were extremely proud of the behaviour and learning attitudes of all children over both days. The feedback from the children was extremely positive and demonstrated how enriching for them opportunities like this are.

This Friday is the first class assembly of 2018—we look forward to welcoming families of children in Challenger class to come along to the school hall at 9am on Friday to watch this assembly.

In just over two weeks time teachers will be meeting with parents to discuss the progress being made by children so far this year. As we are at the half way point of the academic year, it is vital that all parents make the effort to attend these meetings. Teachers always look to close the gap between school and home so as to ensure maximum progress for all—this is one of the most effective ways for this to happen. Consultations take place between 3pm and 5.30pm on Tuesday 6th and Thursday 8th February. From the end of this week, sheets will be made available in the playground for parents to sign up to appointment times. If you are not able to get to the playground to do this then please call the school office to reserve a time slot.

After school today (Monday) we are holding a Family Orienteering event. This is a fun activity where parents and their children work together to solve clues in and around the school grounds. There is no cost to this. If you would like to take part then please meet in the school hall immediately after school.

Last Friday, we had a good turnout of children to the PTA Film Night showing of Beauty and The Beast. A big thank you once again to Mrs Silverton for her organising of this event for the children.

Coming home with the children today is a Home Learning Task. This is an optional activity for families to take on together in a bid to win free tickets to Dover Athletic V Guisely on Saturday 27th January. Please can all entries be returned to school by Thursday at the latest.

Please can we ask for all children to be collected by an adult at the end of all after-school clubs. In the event of an adult other than the child's parent collecting then please inform the school office.

As mentioned in last week's newsletter, the final week of this term will be a Focus Week geared around Science. During the afternoons in this week, all classes will be engaging in Science related activities. More details will be sent home regards this in next Monday's newsletter. However, if you feel you have Science skills/experience that you would like to come into school and share with the children then please do get in touch with us—we would love to hear from you.

If you have any unwanted Christmas gifts at home, please send them in for us to use at the Mothers Day market.

We are still awaiting a number of Parental Consent Form regards activities out in the Forest School. Years 1,2 and 3 are out there once again this Friday so please ensure forms for those children are in by then.
