Attendance

A reminder to parents that is a legal requirement for you to inform school on each day that your child is absent. This should be done through calling the school office and there is a voicemail service there for you to leave a message should you call out of school hours. All absence notifications must go through the office and not via any other staff please.

MacMillan Morning

Next Friday (29th September) there will be a Macmillan Coffee morning in the hall to raise money for this vital charity. We ask that if you are able to donate cakes to this, to please send them in on the Thursday. Thank you in advance for your support on this. Should you wish to attend the coffee morning, please come to the rear hall entrance at 8:30am. Note it is for parents only and not for pupils.

SEND Meetings

If your child is on the SEND list with Mrs Whannell, you should have received a letter from her this week inviting you to come in and have a meeting with both her and your child's class teacher. If you feel you should have received this and haven't please email senco@eythorne-elvington.kent.sch.uk

Harvest

Next Friday (29th September) is Harvest and we will be welcoming all food donations which will then be passed on to local food charities.

Smoking

The school grounds are a no-smoking area and this includes vaping. We also include the gate area at the top of the drive as the school grounds, so ask that no smoking takes place here due to the number of families that come in and out of those gates. Should you wish to smoke, please do so away from the school.

Extra-Curricular Clubs

For those parents who applied for an extra-curricular club should receive an e-mail today confirming if their child has a space in their chosen club. These will commence on Monday, 25th September and will run until the end of Term Two. Please note that there are no clubs in either the last week or the first week of any given term. All clubs take place immediately after-school and we ask that children are collected by an adult at 4pm promptly from the collection point in the letter sent.

Reading

A letter was sent home this week regarding reading at home, please help us track how much reading your child is doing at home by signing their reading record every time your child has read to you, as well as putting in a brief comment in the record book. If you require any guidance regarding reading please ask your child's class teacher.
