Forest School Dates — Term 5

Fri 27 Apr Forest School Y1,2,3
Fri 11 May Forest School Y1,2,3
Fri 25 May Forest School Y1,2,3

Eythorne & Elvington Newsletter

Monday 23rd April, 2018

We had a fantastic first week back at school last week. The children settled straight back into their learning, once again demonstrating excellent learning behaviours and attitudes. The week was also helped by some much needed warmer weather.

With the warmer weather in mind, please do ensure that all children come to school daily with a water bottle. Also, sun cream should be applied to children before the school day. Should you have any questions about this please speak with your child's class teacher.

It has been noted again this week that a number of people are driving onto the school grounds between school hours. As stated on the school gates, no cars should be coming onto the school grounds at these times to ensure the safety of the children. If you do need to gain access, please contact the school office before hand and please ensure that you close the gate once you leave. Thank you for your cooperation with this matter.

During Friday's celebration assembly, we were lucky enough to hand out a number of certificates to many children who have taken part in Chess activities over the course of the academic year. Some of the children have excelled in this and are now invited to attend the next round of events. We wish them luck and look forward to hearing all about this. Once again, thank you to Mr Boxhall and Mr Brenchley for their hard work and commitment to the Tuesday Chess Club.

All clubs start again with effect from today. In the event of having to cancel a club we endeavour to give as much notice as possible.

Coming up in a few weeks time - on Friday 4th May, is Family Sports Night. A separate letter regarding this will be coming home this week with more details.

Today the parents of children in Year 6 will receive a letter about the plans for SATS week which takes place later on in the term. Please can you respond to this letter ASAP. If this does not make it home please call the school for the information.

Last week we received another bundle of tickets from Dover Athletic FC for Saturday's game against Gateshead. Unfortunately, they arrived too late for us to send any notification home regards them. However, it was mentioned in Friday's assembly, so hopefully some families were able to go along and watch the game.

On Friday of this week, the children in Year 2 are visiting Dover Castle for the day. This is in line with their Castle topic. The children brought in some fantastic home-made castles last week—thank you to parents for your support with this at home.

The Year 6 residential trip is creeping ever closer and will soon be upon us. If parents have any questions about this please contact the school for more details. Coming home with this newsletter is a reminder of the areas of learning for Term 5. We did send out an overview of the year back in September, but felt that it was a good time to remind parents. If you wish to ask how best to go about continuing the support for your children at home in line with their learning here, then simply speak to their class teacher. If you are unable to get in to see them you can email the office and this will be passed onto them.
