## Extra Curricular Clubs.

As this term is a short one (5 weeks), clubs will continue as they were last term. They start up again on the next week (Monday 29th April) and finishing in the second to last week (week commencing Monday 13th May).

**Please note : Lace run will NOT run at all this term.**

# Eythorne & Elvington Newsletter

Monday 23 April 2019

Dear Parents/Carers

## Term 5

Welcome back to another term at school. We hope that all families enjoyed their two week Easter break. It was great to see the children back in school this morning and we are looking forward to another busy term.

## Extra Curricular Clubs

As this term is a short one (5 weeks), clubs will continue as they were last term. They start up again next week (Monday 29th April) and finishing in the second to last week (week commencing Monday 13th May).

**Please note : Lace run will NOT run at all this term.**

## Easter Egg Hunt

Thank you to all those families who came along and took part in our annual Easter Egg Hunt. It was great to see all families working together outside on the challenge. We will let you know the final amounts raised in next weeks newsletter.

## SATS

As you may be aware, this term the children in Years 2 and 6 will take part in the national SATS testing. We aim to make this process as comfortable as possible for all of our children. If you have any questions about how this works please do not hesitate to ask.

## PE

PE lessons will start up again on from Thursday as normal. Please ensure that children have their full PE kit in on these days. If you are in need of a new PE team coloured T-Shirt please call into the office to arrange.

## Termly Overviews

Over the next few days you will be receiving this terms overview from your child's class teacher. This will show you all areas of learning coming up over the next 5 weeks. The idea behind giving these is so that you can continue to support your child further at home. If you need any more support with this please do speak with your child's class teacher.

## Home Learning

As mentioned at the end of last term, we are approaching homework tasks differently this term. Teachers will be sending home some Home Learning opportunities to take part in across the course of the term. By giving you these in advance we hope that it will make it more easy to manage.

## Forest School Sessions

Please see the reverse of the newsletter for days when each class is outside in the Forest School. This term we welcome back our Forest School teacher, Mrs Wilkson-Tough, from maternity leave. On the days your child has these sessions please continue to send them in with additional clothing suitable to this environment.

## Weather

We have been fortunate enough of late to have some warmer weather. With this in mind, please ensure children come to school with a water bottle and also apply sun cream when necessary.
