14 May Film Night 3.15 - 4.30
5 July Summer Fayre 3.15 - 5.00

Eythorne & Elvington Newsletter

Monday 24 September 2018

Thank you to all those families who donated loose change on Friday as part of our Jeans for Genes day. We managed once again to successfully fill the surface of a pair of adult jeans with coins! We are currently in the process of counting up the total amount and we will let you know how much we raised in next week's newsletter.

There are still a number of pupils without additional suitable clothing for Forest School sessions. As we are now starting to see a change into the autumnal/winter climate please ensure that children bring warm and suitable clothing to school on the days they have Forest School.

Staying on the topic of colder temperatures—the school office are currently in the process of putting in orders for new school fleeces. These cost £13 and can be ordered at the office. Please contact them ASAP should you want one for your child.

It is great to see so many children wearing their team coloured PE t-shirts on a Thursday afternoon. If you are in need of a replacement one for your child please do contact the office.

On Friday afternoon, Mrs Bird met with many of the parents with children currently in year 6 to discuss the process of applying for Secondary Schools. If for any reason you were unable to attend this meeting please call the school office and arrange a suitable time to meet with Mrs Bird to discuss this further and receive the necessary paperwork.

In last week's newsletter we told you about our forthcoming Enterprise Week (15-19 October). On the Thursday of that week (18th Oct) we are hoping to get a range of representatives from different professions into school to share with the pupils some information about their line of work. We are looking for any parents, family members or members of the local community, who are willing to come in and talk to the children about the work that they do, to please get in touch. We would like to get a range of occupations across all sectors and industries. The aim is to provide the children with a greater idea and understanding of what career opportunities are out there for them long term. Once again, your support with this would be much appreciated. If you can help please call the school.

A week on Friday is our school Harvest Festival (Friday 5th October). We are asking children to bring in some tinned food that we will then donate to some of our more elderly members of the community. Parents and family members are invited to come into the hall at 9am to see each class celebrate the Harvest Festival in their own style.

Also on Friday 5th October— immediately after school is our first PTA event of this school year, BINGO! This takes place at 3.15pm in the hall and is a fun activity for all ages. A letter will be sent home shortly about this.

On the morning of Monday 8th October, we have an Astronomy Roadshow in the school hall. This is a fantastic opportunity for the children to learn about space inside a life-like dome. We have asked that all parents make a contribution of £2.50 towards the cost of this. Please can this be with us by the end of the week. We thank you for your continued support.

If you are able to come into school and help listen to some of the children read please get in touch with Mr Garvey.

A reminder that all book order through Scholastic had to be with us by last Friday. We have arranged for a book fair to be in school during the last week of this term and more details will follow.

EXTRA-CURRICULAR CLUBS

There will be no Football or Top Trumps club on Today (Monday 24th September).

TEAM POINTS

Tilmanstone— 305
