Library Grant

We are delighted to announce that our school PTA has managed to source a grant for over £2,800 to boost our library resources as we look to open the service out to families and the wider community. We look forward to being able to share with you over the coming weeks and months our exciting plans for this project.

Travelling Books

Thank you for those of you who came in and bought text from the Travelling Books Fair. We managed to sell a high number of books and as a school will get a percentage of this money back to further enhance our range of books in the library.

Parent Teacher Meetings

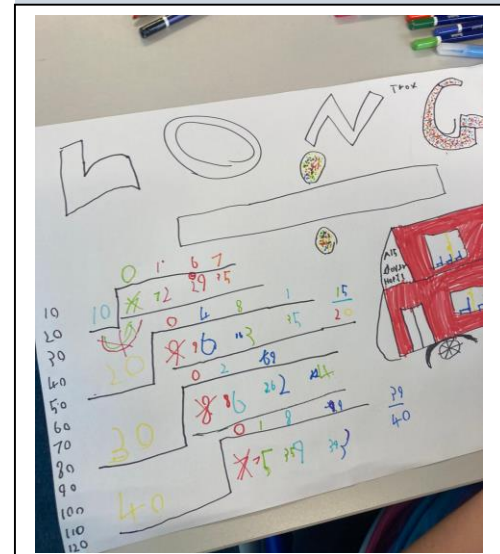

Next Thursday is the first time this school year for parents to meet with teachers. If you have not yet had an appointment confirmation email, please contact the school office. Those that have, please come to the rear hall entrance around 5 minutes before your appointment time.

Termly Overviews

Termly overviews will be emailed out later on today and they will also be available on the school website. We hope that this will help you to further support your children at home.
