Kent Mining Museum Mural

Some time ago the children in Voyager class visited a local residential care home where they spent some time with the residents creating pieces of art work – decorating tiles and mugs. Both the children and the residents thoroughly enjoyed their time together, the residents commented on how kind and gentle all the children were whilst there – they are hoping the children can go back again soon! The tiles were taken away to be fired in the kiln and have been made into a mural which is now on display in the basement of Kent Mining Museum where members of the public can go to visit this. The museum has already had lots of wonderful comments about the mural and we hope that members of the local community can go to see this exhibition which will remain in place until Sunday, 16th June. The museum is open Wednesdays – Sundays 9:30 – 4pm and every day in the half term holidays. Both the school and Kent Mining Museum would like to express our thanks to Catherine, Abby and Jacque from Espression arts who worked with the children to help them create all the work for the mural, this would have never of happened without them.
