## Litter Picker Frenzy

Some of our pupils have taken the initiative to start up a litter picking group named "Litter Picker Frenzy", this was inspired by the Young Voices minibus clean up! With the inclement weather they stuck to the playground and managed to half fill a black sack. All members of the group have designed badges which they are very proud to wear.

## Leeds Castle

This week Year 2 visited Leeds Castle for their first enrichment experience of the year. They learned about life in the castle and its female owners across its 900 year history. To the student's delight, part of the grounds includes a huge maze that tested their problem solving skills with the first group to the centre earning bragging rights for the day! The trip was rounded off with a stroll through the picturesque setting off the grounds that is home to many different types of birds. The trip was a big hit despite the drizzly weather!
