Monday 26th March 2018

Thank you to all of those parents who came along to the Voyager class assembly on Friday morning. The children took great delight in sharing all of their learning around the subject of Chocolate. We hope that you had a good time back in the classroom designing a Chocolate Factory of your own! This week it is the turn of Discovery class. Their assembly takes place on Wednesday (28th March) morning at 9am in the hall. We hope as many families as possible can make it. There will be the opportunity to join the children in class afterwards.

Last Friday we had children coming into school in a range of sporting outfits as we aimed to raise money for Sports Relief. Thank you to parents for arranging the outfits and sending children to school with their 50p donations. There was a great turnout to our Mile Run event before the school day. Families ran together to complete three laps of the outside grounds, which totalled a mile run. Their reward for this was a well earned refuelling at the school Breakfast Club.

Photographs of the above can all be seen in the What's On section of the school website.

A reminder to the parents of children in Endeavour class that tomorrow (Tuesday 27th March) is their visit to the Roman Painted House in Dover. They should come to school as normal in school uniform. However, they will need a packed lunch and enough drink for the day. They are travelling by bus and will be back ready to leave school at the normal time. Any questions about this then please contact Ms Hedges or Mr Garvey.

Today all children in school received a talk on Fire Safety. They found this very interesting and informative and I am sure they are likely to want to talk with you about this at home this evening.

Tomorrow afternoon is the annual Easter Egg Hunt. For all of those wishing to take part please come to the school hall once you have collected the children from the playground at 3.15pm. There is a small charge of £1 per child. There will also be refreshments available to buy as well as some fun games.

A reminder that should you wish for your child to have a cooked dinner, the money for this must be in the school either in advance or on the day. This applies to all children in Key Stage 2 (Years 3 to 6).

Our school Governing body is currently looking for a new parent governor to join the board. For more information as to what this entails please contact Mr Garvey or Mrs Bird at school.

School finishes this Thursday (29th March) for the two-week Easter half term. The children in years 4,5 and 6 will take part in their final forest school sessions of the term on Thursday so please ensure they come to school with additional warm clothing for this.

We wish all families an enjoyable Easter break and look forward to seeing the children again on Monday 16th April.
