PTA Disco

Thank you to Ms Silverton for single-handedly arranging last night's PTA Disco which raised over £400 for the school. These contributions made by parents is much appreciated and this latest round of contributions will be going towards bringing in some new creative learning display walls in classrooms to further enhance the children's learning. Huge thank you to the staff who stayed behind also to ensure that this event could take place. A good time was had by all and plenty of prizes won for excellent moves!!

PTA Additions

Once again, our PTA team is extremely low on numbers and so we are putting out a call to any parents who may be willing to give up some of their time on occasions to please come along and join our school PTA. If you are interested in this please email admin@eythorne-elvington.kent.sch.uk and Ms Uyl will pass your details onto the PTA. Thank you in advance for any support that you can provide.

Kent Crickets Big Day Out

All twelve spaces for the Kent Cricket Big Day Out on 12th June have been selected and letters should have reached those parents explaining more information around plans for the day. Those who showed interest but have not been able to be allocated a place have been placed on a reserve list in the case that someone should drop out.

Home School Agreements

Thank you to those parents who have returned their signed home school agreement, however, we are still waiting for many of these forms to be returned to the school. Please can we ask for these to be returned by the end of the first week of Term 6.

Promotional Film

The final filming of our Promotional Film was completed on Tuesday of this week and we now await the final edit. At the start of next term, we will be showing the Premiere of this film in the school hall one day after school – look out for this information on your emails.

Staffing for September 2023

For those wondering when parents will be informed around what class their child will be in come September and who the adults are going to be – I can let you know that this information will be circulated to you during Term 6. Children will then spend the day in their classrooms for next year and the staff on Thursday 6th July, which is also the day that Year 6 pupils have a day at their Secondary Schools.

Jewellery

A reminder that jewellery is not part of our uniform policy - this includes bracelets and necklaces as well as any hooped earrings. Please can you ensure that your child is not wearing these to school. In the event that they are, we will happily look after them until the end of the school day and will leave them in the office for parents to collect.

Breakfast and After School Clubs

A reminder that we have reluctantly had to increase the costs of these clubs to make it financially viable for us to continue to provide the service for our parents. Please contact the office if you need more information on this.

Orienteering Event

Yesterday from 9 to 11:30, Elsie, Jude, Asia, Toby, Dorothy, Leo and me went to The Duke of York's Military school to do Orienteering. We had to find some cones with jokes on them and we had to write them on a sheet and clip board. In the end we won and Charlton School came second. We got 1 big trophy and a bag of skittles each. We got 19 points altogether, Charlton got 15 points so it was very close. We did get told what the other schools points were but they definitely have less points than us. There were 4 other schools doing it. This was a fun trip and I hope to go again.
