Monday 26 November 2018

Dear Parents/ Carers

Assemblies

Thank you to those parents who came along to Endeavour Class assembly on Thursday. The children had taken ownership of this time and produced an informative and entertaining assembly about all they have learnt so far in this topic. This Thursday we welcome family members of the children in Atlantis class. The assembly takes place at 9am and then there will be the chance to come back to their classroom afterwards to look through their books.

Weather/Uniform

As the weather turns colder please can children bring additional sports clothing with them if they are attending the Football Club on a Monday after school. Unfortunately, due to cookery club the hall is not available but we are keen to make sure that the football continues outside.

Please can we ensure that all school uniform is marked to indicate your child's name. There are currently a number of items in school which are unclaimed but have no name on them. Also, can we please check school jumpers to ensure your child is returning home with their own and not someone else's.

School Photographs

The school photographs will be in the office until the end of this week, so Friday 30th November will be the last chance to come and buy these.

European Themed Day

As part of their theme of "Europe" this term, Atlantis class are holding a European Themed Day on Monday 10th December. There will be a separate letter coming home with the children this week in regards to this. We ask for a voluntary contribution of £2 towards the cost of the activities taking place across the day for the children. Thank you in advance for your support with this matter.

Ice Skating

We have two outings to Dover Ice Skating coming up for some of our children. Please can parents ensure that the permission slips and £5 contributions are returned to school by the date given on the original letter that was sent home. If you are unsure of this or need more information please contact your child's class teacher.

Decoration Morning

The end of this week marks the start of the Christmas period in school. Friday morning is our whole school Decorations Morning. This activity gives a chance for our children and their families to make Christmas Decorations together in the classroom. For those that wish to attend, please drop your child off at school as normal and then come to the school office to sign in at 9am. The morning runs until around 11.40am with a break at 10.15 where there will be refreshments available in the hall for the adults. There is no cost attached to this event.

Christmas Fayre—7th December

Also on Friday, we once again ask the children to come into school in non-uniform – this time bringing with them a bottle of drink as a contribution to the Christmas Fayre which takes place on the 7th December. Thank you to everyone who contributed chocolate last Friday. If anyone would like to volunteer to help or can donate any raffle prizes, please contact the school office.

Christmas Nativity

This year we are fortunate enough to have two Nativity performances to see. The children in Columbia and Voyager perform theirs on Thursday 13th December at 9.15am and then the children in Discovery have theirs a day later at 2.30pm (Friday 14th December). Although we do not sell tickets for these performances we are sending home a letter about these next Monday asking you to indicate the number of people you expect to attend.
