## Girls Football

A brilliant win for the Girls' Football Team this week!

The girls put on an outstanding performance against Ash Cartwright and Kelsey. Two early goals from Alana gave the team a strong 2-0 lead going into half-time, setting the tone for a confident display.

With Alana pushing hard for her hat-trick, the whole team continued to drive forward and create chances. Their persistence paid off in the final moments of the match when Alana secured her third goal, completing a well-deserved hat-trick and rounding off a fantastic team performance.

A superb result and the team's second win of the season — well done, girls!

## Boys Football

A fantastic team performance in a close and competitive match against Wingham!

The team made a brilliant start, taking an early lead through a superb header from Jude. Wingham later equalised, but the boys responded with great determination. Tommy calmly converted a penalty to restore the lead and put the pressure back on the opposition.

Despite the strong effort and excellent teamwork throughout the game, Wingham managed to fight back late on and edge the match 3-2.

A great performance from the whole team — well done!

## National Cerebral Palsy Day

Thank you to everyone who supported me by wearing green on Wednesday and raised money for National Cerebral Palsy day. We raised an amazing £112! This money is going to the Evelina Children's Hospital in London, where I had my operations.

Thank you again!

## Year 5 & 6 Music Assembly

For the past few terms Mr Miles has been teaching Blyton class to play the clarinet. On Friday morning they showed off their skills in a music assembly where they played the some jazzy tunes for the whole school, and their parents. Some of the children have really enjoyed learning the clarinet, and will hopefully continue next term through Clarinet club on a Tuesday after school.
