## Queens Jubilee

Later on today we are looking forward to hosting our Queen's Jubilee celebrations. From 12:15pm, parents are invited to come and bring a picnic and have lunch with their children on the school field. From 1pm, there will be a number of musical performances lead by our Music Teacher, Mr Miles. It is fantastic to once again be able to have events like this at school and we look forward to seeing as many families as possible there. Throughout the morning, the children are taking part in Jubilee related activities with each class focussing on a different decade from the Queen's reign.

## Fantastic Fred

On Wednesday, all children from Year One upwards were treated to a Fantastic Fred workshop in the school hall. This is an NHS funded initiative aimed at educating children about the importance of mental health. I am sure some of the children will have come home and talked about this and we will continue to work on these elements discussed through our PSHE sessions in school.

## Key Stage One SATS

Over the past week or so, all pupils in Year Two have taken part in their end of Key Stage SATS assessments. I am pleased to be able to tell you that they all found the experience enjoyable and actually enjoyed the challenge that comes with it – as well as some of the treats on offer during some of the sessions!
