Break The Rule Day

Thank you for all of the donations as part of last Tuesday's PTA Break The Rule Day. Overall we managed to raise over £300 in total which is a great amount.

School Values Wristbands

Thanks to the school PTA, we now have wristbands displaying our five core school values. These will be given to pupils as a reward for them consistently showing these values as ambassadors of the school. Well done to those who have already received one and I look forward to seeing many more children wearing them as part of their school uniform.

New School Railings

As you have probably noticed, we finally this week have managed to have the work done on the school site to install new railings and gates on both playgrounds. Both of these gates will be locked between the hours of 9am and 3pm during a school day. All visitors should report to the school office as normal.

School Car Park

We ask that unless already arranged with the school, that parents do not park their cars in the school grounds at any time. We have a small car park that does not meet the needs for the staff cars across the three workplaces on our school site – Eythorne Elvington School, Tots Nursery and Children's Centre. Particularly, during the morning we need all spaces available so that staff can get parked and get into school to get on with their work. Thank you for your understanding in this matter. If you need to discuss this further with myself, please contact the school office.

Road Safety

Next Wednesday (4th May) each class will be taking part in a Road Safety workshop throughout the school day. This will teach the children how to be safe near roads and may be something you wish to discuss further with your children on Wednesday evening.

Key Stage 2 SATS

In the week commencing Monday 9th May, pupils in Year 6 will take part in their end of Key Stage assessments. These tests will be each morning from Monday through to Thursday. We have invited all Year 6 pupils to breakfast club during this week free of charge – if you have not yet returned this slip, please can you do so ASAP or contact the office for a copy.

Secondary School Applications

At 5pm on Thursday (5th May) parents with children in Year 5 have been invited to a meeting with myself where I will be informing you as to key dates and processes around applying for your child's secondary school place later on this year. This meeting will also explain how the Kent Test system works and dates for this.

PGL Residential Trip (September 2022)

At the above mentioned meeting on Thursday, I will also be sharing with parents who have children in Year 5 as to our plans for the PGL Residential Trip when they are in year 6. A letter has already gone home explaining how this trip has been moved forwards to the start of the next academic year and so will take place over the weekend of 23rd – 26th September 2022.

Y6 Residential Trip (June 2022)

The PGL Residential Trip for our current Year Six children is fast approaching and we are expecting to receive our full timetable of activities next week. At 5:30pm on Thursday 12th May, I will be holding a meeting for all parents with children taking part in this trip. I would also encourage your children to come along with you so that they can ask any questions they may have. The meeting will explain how exactly the weekend will look and give as much information to you as possible.

Termly Overview

Attached with this newsletter is the Termly Overview for Term 5 for Years One to Six. Parents with children in Discovery class have already received this from Mrs Spurgeon.

A reminder that this weekend is slightly longer than normal and we will begin next week on Tuesday 3rd May. I hope that you all get to enjoy the extra day's break and here's hoping for some decent weather.
