9-13 Jul Year 6 Residential

Fri 13 Jul PTA Disco
Year 5 Assembly

Fri 20 Jul Forest School Y4,5,6

Eythorne & Elvington Newsletter

Monday 29 January 2018

Thank you to all of the parents and family members who came along to Challenger class assembly on Friday morning. The children gave a great presentation on Electricity and managed to highlight some key dangers for children to look out for in and around the home.

The sign up sheets for Parent/Teacher Consultations will be out on the infant playground after school this starting from today. Parents evening takes place next Tuesday (6th) and Thursday (8th) February. For those parents who do not come to school daily to collect their children, you should call the school office to book a time slot for these days. If for some reason you are unable to make either of these days then please call the school to arrange a more suitable time to meet with the class teacher.

Last Monday, we had a family orienteering event after school. Thank you to all of those who came along and took part. The challenge was to find hidden letters outside in the school grounds and turn them into a word. All families successfully managed to achieve this, well done!

Also last week, a home learning task was sent home for children to complete for the chance to win tickets to watch Dover Athletic V Guisely. We had some great examples of work handed in and overall over 20 sets of tickets went home. We hope everyone had a great day out as Dover managed to win the game 2-1.

On Friday afternoon we are sending a team of 4 children from Year 2 to compete in the RAI'd Speed stacking Tournament at St Martin's School in Dover—we wish them luck for this!

A reminder that next week, the final week of term, during many of the afternoons all children will be taking part in our Science Focus Week. Coming home in the next couple of days, will be a separate letter regarding this with all the information that you need to know.

The first Science related activity is a Rocket Launching challenge. Please can children come to school this week with any plastic bottles that are no longer needed at home.

Another reminder that during the last week of term there are no extra-curricular clubs. Information about the clubs on offer for term 4 will come home in the first week back and clubs will recommence in the week beginning Monday 26th February.

A date for the diary to consider is that on Thursday 1 March, we are celebrating World Book Day. Children can come to school on this day dressed as their favourite book character.

For parents with children in Year 6, coming home with them today is an important letter regarding this years Residential visit to France. The letter contains details about applying for a collective passport. If this letter does not make it home or you need more information about it then please call the school.

Another letter coming home today to all parents is from our in-school catering company, Principals. As you are aware all school meals for Key Stage 2 children needs to be paid for in advance. This letter will explain how these payments can be made online.
