**30 September 2019**

As we have all noticed over the past week or so, the weather has started to turn as we move into the autumn months. Please ensure children are prepared for this and come to school with a raincoat and on some occasions, wellington boots.

Wellington boots are, along with walking boots, the ideal choice of footwear for children to use during their Forest School sessions on a Thursday. If you are unable to provide either of these choices of footwear, please ensure that the trainers they are bringing are leather and NOT canvas. Mainly from a health and safety perspective, canvas trainers do not offer a suitable level of protection for the environment the Forest School sessions take place in.

As a school, we are taking part in a scheme run by Aldi supermarket. This gives primary schools a chance to win £20,000 worth of sports equipment. In order to be able to do this, we need to fill the sticker chart with Olympic stickers. We ask any families members who earn these stickers from Aldi to please send them into school with your child. Thank you in advance for your support. We will keep you updated as to how we are doing – at the moment we have around 8 stickers with it about 5% of the grand total!!

Last week we were contacted by the Eythorne Elvington Heritage Group. They have asked us to help contribute to a forthcoming celebration by producing some bunting which will be used a decoration. A form will be coming home this week with a bunting template on should you wish, as a family, to help with this.

We have a book fair coming up. Once again this will be located in the school hall after school. The more books we sell as a school the more we benefit through commission. We then use this to continue to add to our library of books. A letter from our English Lead, Mrs Sutcliffe, will come home this week with more information about this and how to win a £5 book voucher!

It was fantastic to see a number of our families down at the opening of the Woodpecker Court Community Farm on Friday afterschool. This is a brilliant resource right in the heart of the community offering amazing experiences for all children. We look forward to working more closely with them in the near future as we continue to offer vital learning opportunities for our pupils.

This Friday is our Harvest Festival. We ask families to donate foods which will once again go to help support many of the elderly living in our community. We ask for foods such as tinned food, pasta, rice etc. As part of our celebration of harvest, parents are invited to attend our Friday assembly which takes place at 9am in the school hall. During the assembly, each class will show their appreciation of harvest in a variety of ways.

A letter is coming home this way about our first PTA event of the year. On Tuesday 8<sup>th</sup> October, after school – children are invited to come to the showing of the film 'Detective Pikachu'. The cost is £3 per child which includes a snack and a drink. To book a place please, return the permission slip and money by Friday 4 October.

A reminder that the last week of term will be a focus week on Art. If we have any artists living locally who may be interested in either speaking to the children about art, or doing a small workshop in school, please contact Mr Garvey or Mrs Bird to discuss it further.

Coming home today is a letter regarding Parent/Teacher consultations. Please complete the attached slip and return to school as soon as possible.

Year 6 pupils will be bringing home letters today for the Healthy Eating Jamboree on Thursday 17<sup>th</sup> October. This will take place at the Elvington Community Hall.
