Wednesday -	Science
Thursday -	Gymnastics, Key Stage 2

Eythorne & Elvington Newsletter

Monday 4 February 2019

Dear Parents/Carers

Discovery Trip

Parents of children in Discovery class have been made aware that the trip to Wingham Wildlife Park has been postponed until after the half term break. This is due to the high number of children absent with Chicken Pox. Looking at today's weather, it seems it was a good decision!

Atlantis at Dover Museum

On Monday 4th March, Atlantis class are visiting Dover Museum to take part in a range of workshops linked to their current theme of Ancient Egypt. Parents should have returned the permission slip and £8 contribution to the office by last Friday. Please contact the school office if this has not yet been possible.

Child Safety

There are STILL a number of families who are choosing to use the driveway to leave the school at the end of the school day. We are telling the children during our assemblies to make sure they use the path to ensure we protect their safety; please support us in this matter by encouraging this also.

Clubs

A reminder that this week (4th – 8th February) is the last week of clubs for this term. The turn out at all after school clubs has been high and the feedback from the children involved has been very positive.

Weather

We currently appear to have a number of parents unsure as to whether the school is open on a daily basis as we receive indifferent weather. Please ALWAYS assume that we are open. If there was ever a scenario where we had to close you would be notified using our text service.

Focus Week

Next week is our second focus week of the school year and is linked around Diversity—one of our three key drivers across the curriculum. In the next few days you will receive a separate letter regarding this and what the week will entail.

Parent/Teacher Consultations

Last week, the forms for Parent/Teacher consultations came home. These meetings take place after school on Tuesday 12th and Thursday 14th February. Teachers will now be returning these forms with an exact consultation time. These meetings last for no longer than 10 minutes and there is also the opportunity to look at your child's books. If you find you are unable to make the dates or times given please speak with the class teacher to arrange a more suitable time.

Year 6 Residential Trip

If your child is attending the French Residential Trip, please ensure they have a valid European Healthcare card (EHIC). There are forms available from the school office.

Lateness

We are seeing an increase in late arrivals to school. Could we please remind parents that registration takes place between 8:40am and 8:50am and children should be in school ready to start the day. Please remember to inform the school of any appointments beforehand.

School Disco

The PTFA are running a school disco on Friday 8 February straight after school until 5pm. Please return the permission slip and money by Wednesday 6 February.
