9-13 Jul Year 6 Residential

Fri 13 Jul PTA Disco

Year 5 Assembly

Fri 20 Jul Forest School Y4,5,6

# Eythorne & Elvington Newsletter

Monday 5 February 2018

This week at school is our Science Focus Week. Hopefully, last week children will have come home with a detailed letter all about the activities taking place throughout the course of the week. We look forward to seeing the pupils get practical with a range of Science experiences between now and Friday.

As this is the final week of the term, there will be no clubs taking place aside from the additional Year 6 booster sessions which will continue with Mr Garvey. We look forward to providing you with details for clubs to be offered in term 4—this information will come home after the half term break.

Parent/Teacher consultations take place on Tuesday and Thursday this week. The sign up sheets were out in the playground for most of last week. Thank you to those parents who have already managed to sign up to see their child's class teacher. There are still a number of parents who have not managed to arrange a time slot as yet. It is vital that opportunities such as this happen so that teachers can communicate with you regarding the progress being made by your child this year. It is also a chance for you to share any concerns or queries you have. Please call the school office or speak with your child's class teacher to arrange a suitable time for this meeting to happen at some point this week.

There are still some people who are driving into the school grounds on a daily basis. The health and safety of all children both at school and also at the on-site nursery is paramount to us. Should you need to park on the school grounds for a specific purpose then please call us to arrange this before hand. Thank you for your support with this.

We have had some of our parents raise concerns over the parking of some people in the driveway that runs alongside the school down towards the bowls club. This is actually a private road and shouldn't be used for this purpose. Once again, thank you for your continued support in ensuring our school remains a safe place for all.

This Friday (9th February) is the final day of term and we look forward to inviting parents into school for Endeavour class assembly. We hope all families enjoy the half term break and we look forward to welcoming the children back to school on Monday 19th February. We are now over half way through this academic year and as a school we are proud of the attitudes and behaviours constantly demonstrated by our children and look forward to the second half of the school year.
