TERM 3 - WEEK 5

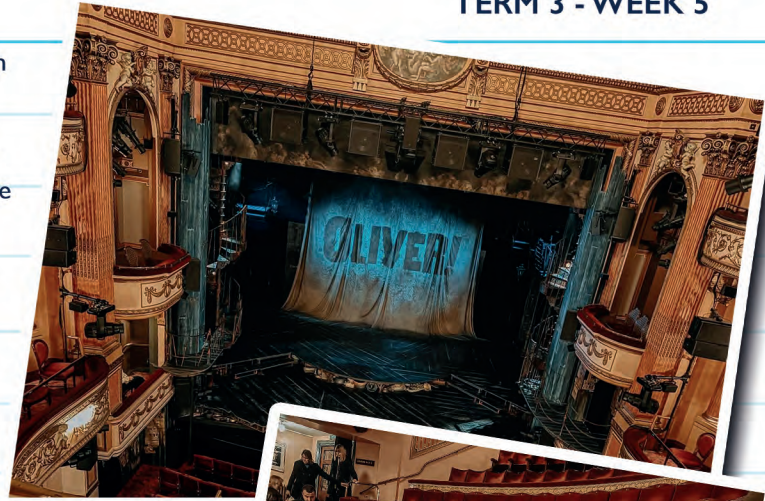

## Oliver!

Year 6 kicked off our first round of Enrichment Experiences this week on Wednesday, with a trip to London to see Oliver at the Gielgud Theatre.

After a 2 hour train trip, we arrived at London Victoria. We walked past Buckingham Palace and saw the changing of the guard, before having some lunch in Green Park.

We then visited a souvenir shop before heading to the theatre. We had great seats and the show was absolutely incredible.

After the performance, we took a (rather brisk!) walk back to Victoria Station where we boarded the train to come home. Year 6 were great representatives of the school and did so well considering it was such a long, busy day, with lots of walking.

## Clubs

Due to staff training taking place next week after school, there will be no Extra-Curricular clubs taking place. These clubs will recommence again after the Half Term break in the first week back (week commencing Monday 23rd February). These clubs will remain as they are for the entirety of Term Four (up to the Easter break) and new clubs will then be offered for Terms 5 and 6.

## Attendance

On the back of the letter last week outlining the importance of children being in school every day – attendance this week is up 3% on our average.

This is good news.

DONALDSON 90%

DUFFY 97.33%

MORPURGO 93.44%

BLYTON 94.84%

WELL DONE  
**Duffy!**

## Stars of the Week

### DONALDSON

Arlo ... for a superstar week - well done!

Reuben C ... for a brilliant 'can-do' attitude towards his Phonics learning - well done!

### DUFFY

Thomas ... for being our maths super star.

Decima ... for always showing the school values.

### MORPURGO

Cody ... for showing help and support during partner work. Well done!

RJ ... for his growing confidence in English and maths

### BLYTON

Year 6 ... for excellent behaviour on our London trip this week.
