Tuesday 7th May, 2019

Dear Parents/Carers

## Ofsted

As you are all aware, the school was visited by Ofsted last Thursday. This was our Section 8 inspection. The purpose of this inspection was to assess if we still had a “good” assessment which we achieved at our last Ofsted.

The outcome of this recent inspection will not be known until we receive the report which we hope will be just before the half term break at the end of May. However, what we can say is that everyone worked so hard—children, staff, governors and parents—we are extremely proud of our school.

## Discovery—Fire Station Visit

As part of their theme for this term, the children in Discovery class are taking part in an educational visit of the Fire Station in Dover on Thursday. All parents should have already received a separate letter regarding this. Should you have any further questions about this please contact Miss McGregor.

## Year 5 Parent Meeting

At 2.50pm this Friday, Mrs Bird is meeting with the parents of children currently in Challenger class (Year 5). This meeting is there to inform all parents of the process regarding applying for Secondary School places. Mrs Bird will also share information about the residential trip to France which takes place for children at the end of Year 6.

## New Parents Meeting

At 2pm on Thursday 13th June we are inviting all parents with children starting in Reception class in September 2019 in to school. This will be an important meeting to find out about the expectations for children starting school. We will also use the time to set up the transition events which will happen before the summer break. If this date is an issue for you, please do get in touch with either Mr Garvey or Mrs Bird to arrange a meeting at a more suitable time.

## SATS

Over the next couple of weeks the children in Year 2 and Year 6 are going to be taking part in their end of key stage assessments. Understandably, some children can find occasions such as these stressful-however, here at school we do all we can to help with this. Should you have any questions about anything to do with SATS please do not hesitate to get in touch.

## Film Club

Next Tuesday—14th May—we are having a PTA Film Night. This will take place straight after school. A separate letter and permission slip will be coming home in the next couple of days for those parents with children wishing to attend.
