

Eythorne & Elvington Newsletter

Week Commencing Monday 7 November

Accompanying this newsletter are the **areas of learning** for each of the classes in the school. Here you will be able to see the current learning taking place in your child's class so that you can continue to support them further at home.

In order to help you provide support at home in your child's learning, each teacher is delivering short sessions aimed at giving parents a **greater understanding of the skills** children should be learning in the key areas of reading, writing and maths. From these sessions you will be able to take away **ideas of activities you could do with your child** at home to further support their learning. Dates for all of these sessions are detailed in the table at the bottom of the page. The first set of sessions are on Reading and take place throughout the course of this week between 2.30 and 3pm. Please find the time to come along if you can.

From today, the range of extra curricular clubs we offer at school re-starts following the half term break. All of the clubs are almost at capacity and all children who wanted to take part in a club were able to. Look out on the school website and Twitter page for photos from the clubs over the course of the term.

Last week the **football team** played just their second game of the season. There was a marked improvement as they were narrowly beaten by Sibertswold primary. The team are certainly making great progress and I am sure we will be reporting on a victory very soon.

Thank you to all those children and their families who have managed to raise some fantastic amounts of money through the **Sponsored Bounce** which took place before the end of last term. We have already surpassed our target of £300 so if you have any donations to add to this then please bring them into school by the end of the week.

A request from Voyager class for any **empty cereal boxes** to be brought into school to help them gather resources for a forthcoming DT project.

Leaflets for the **Scholastic Book Club** have been sent home along with this newsletter. Should you wish to place an order then please do so by the 18th November.

We have now received the **photographs** from Braiswick Photographic Co Ltd. The packs vary in terms of number and size of photographs and so the costs range from £12 to £18. Please call into the office to view the actual photos and make payments should you wish to purchase them.

Proofs of the **class photographs** are being sent home and are available for ordering. Order forms are provided and must be returned to the school by Friday 18 November.

Last chance to order a **school fleece** is by tomorrow (Tuesday 8 November) at 3pm. The cost of a fleece is £12.

Family Bingo

Family Bingo is taking place on Friday 11 November straight after school in the school hall. £2.00 for 5 games of Bingo! See attached letter.

Stars of the Week

Discovery	Matthew and Summer
Voyager	Poppy and Tria
