Census

On Thursday 21st May, it is census day, where a special menu has been laid on for school dinner children. This is an important day for the business side of schools, as the number of Free School Meal places on this day impacts on the finances allocated to the school. Can we ask that if your child is eligible for Free School Meals that they please choose to have a school meal on this day.

If your child is not already registered for free school meals and you would like to check to see if they are eligible for this, you can do so by clicking **HERE**.

Thank you for supporting the school on this important day.
