9 September 2019

Clubs start this week and we are pleased to see a high number of children sign up for these extra-curricular experiences. We expect ALL children to be collected by an adult from the front entrance at 4pm following a club – if this is not going to be the case, then please inform the school office in advance. We look forward to inviting our Discovery class pupils to clubs from January onwards.

There are a number of Meet the Teacher sessions happening across the course of the week. These are for ALL classes with the exception of Discovery class. The times are detailed below. Sessions are aimed at improving vital communication lines between school and home. If you are unable to make this time but would still like to speak with your child's teacher please arrange a more convenient time with them.

Monday – Voyager and Endeavour

Tuesday – Atlantis

Wednesday – Challenger

All sessions start at 2.45pm.

On Thursday a number of our Year 6 children will be sitting the Kent Test. All parents of those children involved should have received a letter regarding all plans for Thursday. If this has not happened, please let us know immediately. We wish the children involved luck and we aim to make it as stress-free as possible for them on the day.

A letter is coming home today reminding parents of the schools expectations regarding attendance.

A reminder to parents, that School meals are now £2.25. Please send in the correct money in a named envelope.

It was great to see Forest School sessions back underway last Thursday for two of our classes. Thank you to all parents who managed to ensure that the children were able to come to school with additional clothing suitable to being in the Forest School environment. This Thursday, Voyager and Atlantis classes will be down in the Forest School area with Mrs Wilkinson-Tough – please ensure that they come to school with their additional clothing in a named bag. The clothing should be aimed at keeping them warm and dry whilst also being able to get dirty in it too!

Our new Reading Challenge for the term is underway and for this first term the target is 30, those that manage to hit this target will be rewarded with a certificate at the end of the term. Please encourage your children to keep up with their reading at home as it is VITAL to their development. If you are unsure as to how best help your child with their reading at home please speak with the class teacher who will be able to give you some tips.

Staying on the topic of Reading, new Scholastic booklets are coming home today – some ideal Christmas presents in there! Please return the leaflet to school by Friday 20 September.

Medication that was sent home at the start of the summer should now be back in the school office. If not, please bring it back in ASAP and complete the necessary paperwork in the office.

Also coming home today is a data capture form for the new school year. Please complete and return to school promptly to ensure we have up to date contact details and permissions.

#### **Breakfast Club**

Individual Child - £2.00 per day

Per Family - £3.00 per day
