

Hello everyone!
Miss Gollop and I have
been busy getting the
classroom all ready for you.

Are you ready to go on a
little tour?

You will come in through this gate and follow the arrows down the path.

You will come into the
playground...

and come down the ramp.

Don't forget to sanitise your hands to make them nice and clean.

This is the door to your classroom.

This is where you say goodbye to your grown up and Miss Gollop will be waiting to give you a warm welcome.

This is your new classroom.

Our body

This is your Role Play Area.

This is your Reading Area.

This is where we do lots of our creative activities.

This is where you hang
your coats.
You will have your very
own peg with your name
on it.

Your snack will go in the
snack basket.
Don't forget to label your
snack so I know not to
nibble on it.

We have our own toilets in the classroom.

You can go to the toilet whenever you need to go, just make sure you tell a grown up.

When you have been to the toilet, don't forget to wash your hands.

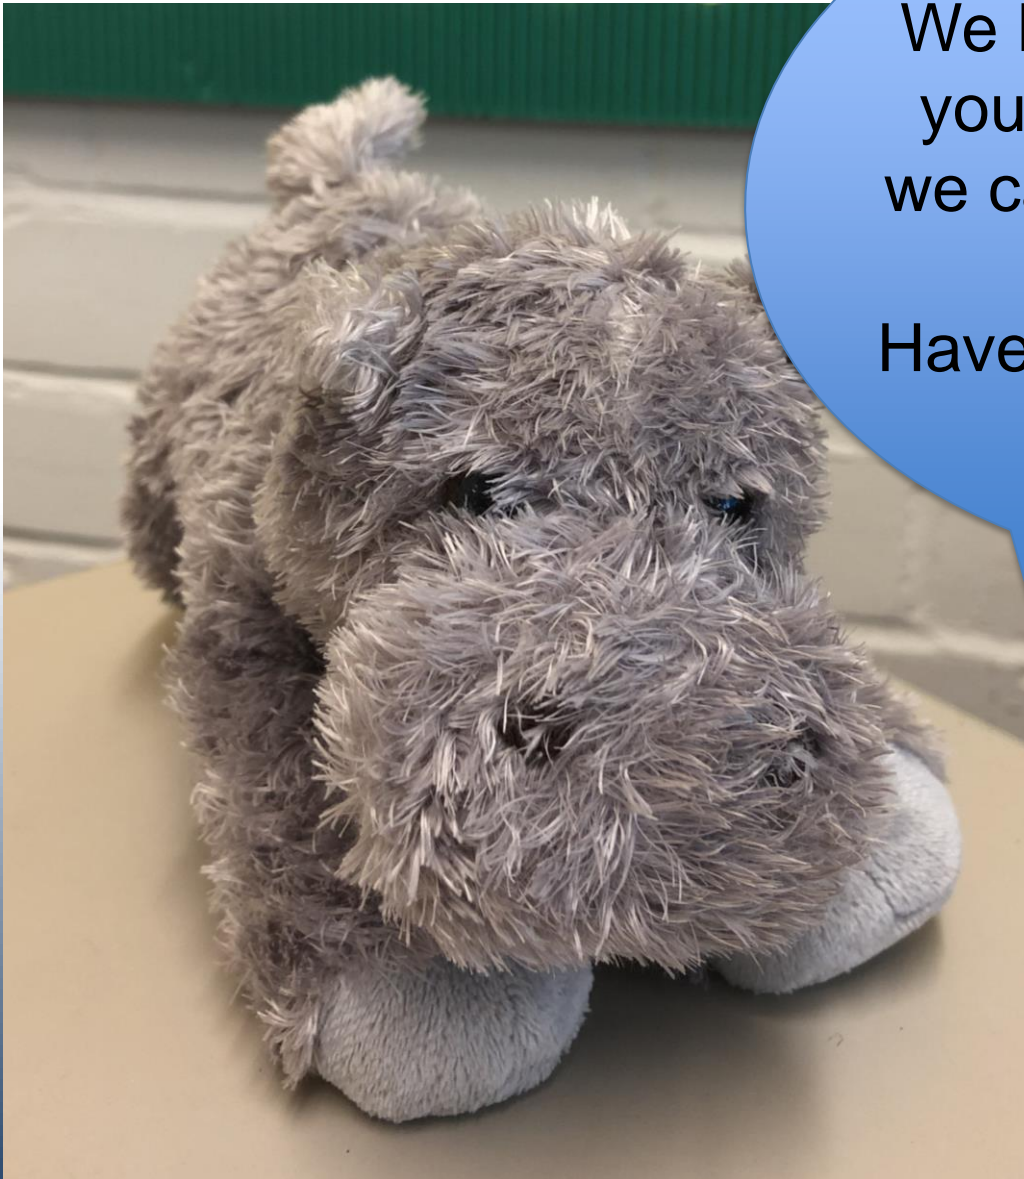

We also wash our hands before we eat and when we come in from being outside.

Did you washed your hands?

This is the door to our
outside classroom.
We'll be doing lots of fun
learning out here
throughout the year.

We hope you liked seeing
your new classroom and
we can't wait to see you all
in September.
Have a wonderful Summer!
