

# What **children** say about us

"All the adults care for us"

"There is nothing I can think of to improve this school - its the best!"

"Everyone is really kind here"

"We love our Forest School"

"I work really hard and learn a lot"

## Early Years

FOUNDATION STAGE

- Purpose built reception class with outdoor play area
- Specialist EYFS staff
- Highly successful settling-in process
- Pre-school visits prior to admission
- Close communication with parents
- Small Cohort Size of 20 allowing for small focus teaching groups

## If you're still not sure

- Ask us specific questions during your visit, or get in touch using the contact details below if you think of something after you leave.
- Come and see us again! You are more than welcome to come back and have another look around.
- Look at our website for more information.
- Talk to parents and governors – we can put you in touch with someone if you'd like.

Community Primary School

A small school making a BIG difference

Diversity | Initiative | Possibilities

# We think our school is special for many reasons including:

- Small Cohort Sizes allowing for quality first teaching
- A calm, caring and nurturing environment
- Excellent behaviour
- Effective safeguarding and welfare of pupils
- A creative curriculum bespoke to meet the needs of our children
- Learning experiences which are engaging, exciting and enjoyable
- Experienced and committed staff
- High progress and attainment levels
- Wide range of extra-curricular activities
- Excellent Breakfast Club and After School club

But don't just take our word for it...

## What Ofsted say about us

- "Staff team are equally as committed to ensuring that every child achieves their very best."
- "The focus on continuous improvement results in teaching that is highly effective across the school, including in the early years."
- "Pupils are challenged and supported appropriately in lessons. This results in them making excellent progress."
- "Pupils receive a broad curriculum that makes the most of the opportunities that are available within school and the local area."

We were last inspected in June 2019 and the school received a GOOD judgement but having demonstrated strong practice and marked improvement in specific areas, it indicated that the school has improved significantly overall. As a result, it was recommended that the school's next inspection be a section 5 inspection with the potential for OUTSTANDING.

**Recent performance data in 2019**

- 100%** achieved national expectations in maths (National average = 79%)
- 94%** achieved national expectations in writing (National average = 78%)
- 88%** achieved national expectations in reading (National average = 73%)
- 84%** achieved GLD in EYFS national expectations (National average = 76%)

## What our curriculum says about us:

We aim for our curriculum to produce confident, independent learners who are aware of the diverse nature of the world around them and the amazing opportunities it affords them. Because of this, everything we do, both in and out of the classroom, is guided by our aim of teaching our children...

**Diversity | Initiative | Possibility**

## What parents say about us

- "I wouldn't take my child to any other school than this one"
- "I'd be delighted to recommend this school to anyone"
- "The school is extremely welcoming and inclusive."
- "Staff really care about the children"
